

## Mimi Tyson, CRNP, PMHNP

**Mimi Tyson** is a psychiatric Nurse Practitioner who uses various treatments, including psychiatric evaluations, psychosocial interventions, and medication management. Her specialty is devoted to diagnosing, preventing, and treating mental disorders. She successfully treats patients with various mental disorders using a holistic form of treatment by customizing a treatment plan. She specializes in children and adult ADHD. Her vision is to have a society that has accessible, quality, and affordable psychiatric care. Cervello-Wellness aims to raise community awareness of mental health and cognitive disorders and eliminate the mental health stigma.
